

Education

Education Leeds is a not-for-profit company, wholly owned by Leeds City Council that works in partnership with Children's Services in Leeds. The company provides support services for primary schools, secondary schools and pupil referral units.

There are links on our website to the Education Leeds site.

The website holds a range of important information. You can find out about the school holiday dates; how schools are organised in the city; how to choose a school for your child; the application process; arranging transfers; further education courses; and much more.

The Education Leeds parent partnership service supports parents and carers with SEN and disabilities. The services also offers support around children's behaviour and exclusions, as well as support during transition from primary to secondary school.
